**Terms and Conditions**

**General Eligibility:** For a current list of qualifying equipment, visit [www.vectren.com](http://www.vectren.com) or call 1-866-240-8476. This offer provides rebates for the purchase of new, installed qualifying products and/or services, and is not dependent on the purchase of any other product or service unless indicated. Offer valid for Vectren Energy Delivery of Indiana natural gas residential customers only. The rebates on this form are available to residential homes or rental buildings of twelve units or less only. One form must be completed for each address in which appliance(s)/product(s) is installed. Vectren rebate cannot exceed the cost of the equipment or service.

**Verification:** Vectren Energy Delivery of Indiana reserves the right to verify sales receipts and/or installations of products and services before issuing rebates. A random inspection may be conducted to verify installations.

**Program Modifications:** Vectren Energy Delivery of Indiana reserves the right to alter or discontinue these rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

**Disclaimer:** Vectren Energy Delivery of Indiana does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. Vectren Energy Delivery of Indiana reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by Vectren Energy Delivery of Indiana, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Please allow up to eight (8) weeks to receive your rebate.

**Eligibility Dates:** All forms must be postmarked within 60 days of purchase of equipment to be considered eligible for rebates. Vectren Energy Delivery of Indiana reserves the right to alter or discontinue this program or related rebates at any time without notice..

**Contractor Instructions:**

Verify that natural gas utility at the installation address is Vectren Energy Delivery of Indiana.

High Efficiency Natural Gas Furnace and/or Water Heater: Installers are required to implement the following measures to qualify furnace and/or water heater installations for rebates.

Chimney liners must be installed where atmospherically-drafted equipment remains in the residence. Installers must complete flue closure protocol where a high efficiency furnace and/or water heater is installed and the chimney has no other use; where the water heater is power vented through the sidewall or is fueled by electricity (refer to flue closure protocol). The furnace must be a sealed combustion unit with combustion air supply provided from outside the home to reduce whole-house air infiltration.

This form has no cash value. **Please retain a copy for your records.**
